Central Library

Notice

BCR/Lib/8/2015-16

Date: 16.12.2015

It is notified for information of the students that they are required to return all the books (Book Bank and Central Library) immediately after the reopening of the college (i.e. 12th January, 2016) after winter break. Library books for the new semesters will be issued thereafter (schedule to be notified later on). Usual fines will be imposed for non-return of books from 1st February, 2016 onwards. Students must note that early return of books ensures early issuing of books from Book Bank. Students are, therefore, advised to return all the books taken from Book Bank at an early date.

Students may also return books (Central Library/Book Bank) during 11.00AM to 2 PM and 2.30 PM to 4.00 PM on working days before the college closes for the winter break.
