

## DR. B. C. ROY ENGINEERING COLLEGE, DURGAPUR

No. BCR/PR/23.1/

October 16, 2019

### NOTICE

It has been observed that most of the students are yet to join in the campus after Puja vacation. Maximum classes remained unattended by the students yesterday, 15/10/2019 and even today, 16/10/2019.

Reference is made to our several Notices issued from time to time regarding the significance of class attendance of the students. It is once again reiterated that **students should attend the classes consistently and unfailingly for their own interest**. Students should be reminded that as per recent notification of MAKAUT, they will be given marks on **Continuous Evaluation (CA)** and unless they attend classes **regularly**, they will not be in a position to score good marks in the **Continuous Evaluation (CA)**, which is part of semester examination.

HODs are requested to advise the students **through the Faculty Mentors** immediately to start attending the classes. Faculty Mentors must give calls or send SMS to the students/parents by today, 16/10/2019. Faculty Mentors may counsel the students vigorously about the changing pattern of MAKAUT for students' assessment and attendance.

This should be treated as **MOST IMPORTANT**.
