

DR. B.C.ROY ENGINEERING COLLEGE, DURGAPUR

BCR/PR/ /2020

March 17, 2020

NOTICE

In view of the advisory from the State Government, AICTE and MAKAUT on the evolving present situation on the spread of Novel Corona Virus (COVID-19), it has been decided that students will not attend classes physically due to safety reason; **however they must attend Virtual Classroom Teaching provided by their teachers from tomorrow, 18/03/2020.**

Students are advised to note the followings:

- i) They must provide their **either mail ids or Whatsapp No. to their Mentors** positively by today, 17/03/2020. CRs of the classes are requested to take active part in helping their teachers regarding the above.
- ii) Students will be provided **class notes as per Class Schedule of the day by their teachers through Google Drive**; once the students provide their mail ids or Whatsapp No, they will be explained about the method of above teaching.
- iii) Students should study the above Class Notes and must **answer the MCQs (4 to 5).**
- iv) **Students' involvement in above method of virtual classroom teaching is mandatory; Class Attendance and Class Evaluation-2 marks will be given on the basis of students' participation only.**

Faculty Members (Mentors) are also advised to take active part and extend their cooperation in the process.

Online study system during the emergency consequences due to COVID 19

As per notification of AICTE, MAKAUT & press release of Govt. of WB all the academic activities will remain suspended (15th March to 15th April'2020) within college premise. During this period we are implementing online or E-Learning strategies based on assigning reading and exercises for home study for the students:~

For proper implementation of the scheme two distinguish aspects are to be taken care of.

1st step: Google quiz: To maintain regular attendance of the student.

- Faculty members are to upload their regular class note/content for the students.
- No of Google quiz based on regular class note/content to be uploaded by the faculty member toward the students should be equal to no of weekly allotted classes & timing scheduled at routine. The attendance should be considered regularly as per the responses given by the students.

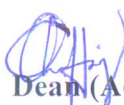

2nd step: Regular assignment:

- For the completion of the syllabus and students to be prepared for the semester examination module/ syllabus model questions are to be uploaded once per week. Students will study/exercise the class notes and books; prepare all the questions and will submit full answer script of the model questions (in his/her own hand writing) to the faculty members strictly on the day college reopens. Failing of submission of the assignments in proper time may be considered as the student was absent for the whole duration.

HODs are requested to provide student particulars such as Name, University Roll no and E-Mail IDs section wise to all users.

All mentors are requested to inform their mentees about the implementation of this scheme within today itself.

If there is any discrepancy regarding the details of the students, the concerned mentor will provide the valid information for the same.
