Dr.B.C.Roy Engineering College, Durgapur Wins Prestigious AICTE-IDEA LAB Project

Durgapur : Dr.B.C.Roy Engineering College, Durgapur has added one more new feather on its crown by winning the prestigious AICTE- IDEA LAB project after a tough competition at All-India level.

IDEA LAB is the most important segment of Government of India's dream project ATMANIRVAR BHARAT. Dr.B.C.Roy Engineering College competed with short listed 152 Institutions and from all India level finally made it's place as one among 49 successful technical Institutions in India. In West Bengal , BCREC is only one among two colleges selected.

On behalf of entire College management , Sri.Tarun Bhattacharya , General Secretary, Dr.B.C.Roy Group of Institutions expressed great satisfaction at the spectacular success of the Institution at the highest level and promised to develop the AICTE-IDEA LAB of the College as one of the best in the country. He thanked all the faculty, technical and other staff for their dedicated effort to win such a laurel for BCREC.

Dr.Pijush Pal Roy, Director BCREC, extended heartfelt congratulations to all the members of BCREC fraternity for their dedicated efforts which could make it possible and appealed to all to keep the BCREC flag flying high. We are extremely happy to thank AICTE for considering Dr.B.C.Roy Engineering College as one of the eminent and deserving Institutions in Eastern India to award the coveted AICTE IDEA-LAB project for the benefit of students , research scholars, faculties and to cap them all, to many prominent schools , colleges and other technical Institutions in this industrial belt by providing advanced lab support for years to come, he added.

Dr.B.C.Roy Engineering College(BCREC), Durgapur established in the year 2000, is an AICTE approved Institute under the affiliation of Maulana Abul Kalam Azad University of Technology (MAKAUT) and winner of NBA accreditation. The College offers B.Tech programmes in 7 subjects, M.Tech programme in 4 subjects, as well as MBA and MCA programmes.

By providing a well-appointed platform to cultivate innovative designs, scientific aptitude, employability and entrepreneurial skills amongst students and above all by extending its best support to neighbouring schools, colleges and technical institutions of Durgapur Industrial belt and christened in the name of Bharat Ratna Dr.Bidhan Chandra Roy, great son of Bengal , the entire BCREC Collective today is deeply determined to make the idea of ATMANIRBHAR BHARAT a brilliant success.

Major Benefits to the people

- Economically challenged students who cannot travel far to avail advanced Laboratory facilities will get a proper platform at Durgapur itself to cultivate their innovative designs and scientific aptitude.
- AICTE-IDEA LAB will be operational for 24x7 and provide facilities to willing students from 159 secondary and senior secondary schools, 8 degree Colleges offering Science subjects, 22 Technical Institutions, all situated in and around Durgapur.
- AICTE-IDEA LAB will integrate all departments and foster an inter disciplinary approach to optimise group efficiency. Under the expert supervision of guides and trainers, skill sets of students will reach new heights of innovation.
