

# DR. B. C. ROY ENGINEERING COLLEGE

## DURGAPUR

No. BCR/PR/

October 19, 2016

### Office Order

All concerned are requested to note that **Pre-Final Lab Assessment Test (Practical and Viva-Voce)** will be held on October 22, 25, 26, 27 & 28, 2016. The marks will be awarded under the following guidelines: -

- i) Preparedness for conduct of Experiment - 10 marks
- ii) Viva-Voce to judge the knowledge of the lab subject - 10 marks

The marks awarded in the above Assessment Test will be part of Laboratory Sessionals (40%) to be sent to the University as part of end-Semester Practical Examination of MAKAUT. A Balance 20 mark is to be awarded under the following guidelines: -

- i) Attendance and regularity in the lab classes - 05 marks
- ii) Presentation of lab report, its regularity in submission and content - 15 marks

**Students are to be informed that the Assessment Test is compulsory and there will be no separate Test for the absentees.**

**The above test will be conducted during scheduled lab classes. Regular Theory classes will be held on those days as per the Class Routine.**
