***Important Notification***

No. BCR/LIB/21-22

Date: 23.02.2022

It is hereby brought to the notice of all concerned that a large section of students who have borrowed books from the BOOK BANK section during previous semesters are yet to return their books to the Library. As a result, the Library is finding it very difficult to issue books to the current semester students. Time and again we have taken initiatives to resolve this impasse, but without much progress till date. Kindly extend your help in mitigating this problem at an early date.

*Dr S. C. Biswas*  
Librarian
